

Evolution® LGR

All-time bestselling LGR dehumidifier set the performance standard

Rapid dehumidification is the cornerstone of environmental control, and the Evolution LGR delivers. Drawing only 5.6 amps, the Evolution removes up to 70 pints per day, making it the perfect choice for the quick dry-out. The unit is highly portable, weighing in at 92 pounds and only 33 inches tall. The tough polyethylene housing resists dents and won't rust, and is backed by the Dri-Eaz limited life-time warranty. Ramp up your drying performance with the Evolution LGR!
